“ Too many fun and memorable times to list here. The best one is when we were about 14-15 years of age and I would be staying over and Betty would have to come out and seperate Brenda and me for laughing and giggling into the wee hours of the morning so she could get some sleep. We woke her up when we were stealing pickles from the fridge and the light came on. Some of the best memories of my childhood and teen years were spent at my Aunt Betty's house. Rest in peace. I love you, Sandra

“ In the very short time that I knew Betty I grew to love her. In that short time I learned alot about her. During our visits she would show me pictures and momentos that she had saved of her family. She loved her children/grandchildren and wanted them to be happy. Although we talked of her fears often we always finished with reference to the Lord or the Bible. I feel Betty is were the Lord wants her; by his side. I know this must be hard for all of you. Betty's life was getting harder by the day. I know I will get to see her again someday; healthy. I'm sorry for your loss. Sincerly-Heather Hall, RN
