“ Every time that I saw Betty, she would greet me with a smile and a hug. She was a special person to me. I enjoyed the sleep overs at her house and at her Grandmother Mimi's house and going to the skating rink on Friday nights when we were young. Betty was one of the sweetest persons that I have ever met. Betty you will be missed so much. I will carry your smile in my mind and your love in my heart. My prayers go out to Betty's Children, Grandchildren, Sisters and her long time love Richard. I pray that God gives you strength to get through this hard time. May God heal every pain and dry every tear. Just know that Betty is with her Creator.

I hadn't seen her since we were in our early teens but she was a sweetheart then and it sounds like she only grew to be even more wonderful. She is obviously loved beyond measure by so many people and I truly believe that God puts us here "on loa" here on Earth to touch the lives of others. It appears that Betty did just that, made an imprint on so many hearts. RIP sweet friend. Love, hugs, thoughts and prayers to all her family.*

“ My deepest sympathies go out to Betty's family. I have known that girl the majority of her life. She was certainly a good girl and grew up to be a good woman as well. She was such a kind person. It is so sad to have her taken away so early in her life but God has a plan for her and we must accept it until we see her again. I know she must be rejoicing now that she is with her mother and father. I have no doubt how much her children will miss her and how much her grandchildren will as well. But they must know, they now have their own angel looking over them until the day comes that they are all together again. Richard, I feel so sorry for you as well. I know that there is a hole in your heart right now. Time will help you cope. Please take care of yourself and lean on your family and friends when you need them because believe me they are all there for you and willing to help in anyway they possibly can. -- Debbie Lake
