

Betty Duwe

July 15, 1949 - June 9, 2018

Betty Jane “Janie” Duwe 68, of Corsicana, Texas was granted her wings on June 9, 2018 at Kemp Care Center in Kemp, Texas. At her request a memorial service will be held with her husband, children, grandchildren and their spouses at a later date.

Betty was born in Paragould, Arkansas on July 15, 1949 to Earl and Marjorie Carmickle. She married Ronald H. Duwe II, on May 18, 1979 and created a life of wondrous memories and adventures together of 39 years.

She worked for Walmart for many years starting out as the Ladies Department Manager, promoted to Assistant Store Manager at the original Walmart store in Corsicana and eventually being promoted to the Store Setup Manager at various locations within Texas and New Mexico.

She enjoyed collecting light houses, fairies, tea sets, porcelain dolls, and traveling with her husband, children and grandchildren. Her family was her passion of her life, always making sure everyone was taken care of in a special way. Birthday and holiday celebrations she always made sure her family knew how special they were to her. She never met a stranger, always opening her home to her children’s family and friends, making sure that everyone felt a part of her family.

Christmas was the holiday that filled her heart with the most joy of the year. She would go all out on the decorating so much that when you walked into her

home you thought you were walking into a “Winter Wonderland”. She would have her son dress up as Santa and the grandkids dress as elves. Parents would stop as they drove by so that their children could meet Santa and grab a candy cane from the elves. She won the Santa Award for best Christmas decorating multiple years in Corsicana. Her passion for Christmas will never be forgotten by her loved ones whom she instilled her always bright and merry Christmas spirit.

“ *At Christmas time I always think about Betty and her love for the holiday season - my family visited from England December 1998 and we spent some precious time with Betty and her family in Corsicana - sending our love to her family and hope that the precious memories that they have of Betty will bring some comfort.*

“ *Being cousins, our families visited each other often as we were growing up in rural Ohio. I remember "Janie" (as we called her) being a sweet, pretty, quiet girl. She was always nice to others & I never heard her speak badly of anyone. Her smile & laughter would light up the room! My deepest sympathy to her family for their loss. Soar high with the angels Janie. You will be missed.*
