“ *My parents and oldest brother bought a home from Ruby and Betty*

on 4th street. I built a brick Cross in honor of my Mother on the corner

of 4th and Cherry Street. It has always been my thankfulness to the French's

for selling us this parcel, not knowing of my inferiority complex. However this

sell has forever built my esteem to this November 10, 2019 day and will ever

be a monument in my living. May God's Richest Blessings reach the remaining

Family for ever..

“ Jean Ann and family, I know this is a sad time for you. But, what a wonderful day. She is no longer hurting and she is visiting family and friends that have gone before her. Bring up those memories and praise the Lord. Love to all of you. Elaine Luke

“ Mrs. French will be missed at the Plemons family gatherings. She could and did whip some of the domino "experts" in the family, and she pulled no punches! We send our love and prayers for God's comfort for her loved ones.

“ It won't be the same without Mrs. French at the Plemons family gatherings. She fit right in and could whip many of the domino "experts". We will miss her. We are sending much love to her family and asking God's comfort for them.
