“ *Gone to soon, but I know that you had a wonderful life in Texas with your family. I can still see the little girl that used to wave to me when I walked home from school and later in life a sweet sister-in-law. Even though we have seen you recently, I will miss you and think of you often. Eleanor*

“ Through out the years my mom provided us with so many memories that it is so hard to pick one that would stand out to me.. Memories of birthdays, anniversaries, Christmases, thanksgiving dinners, etc. Her being there when my daughter was born, and the tears of joy when I told her what we wanted to name her. They are all so precious. But in the past few weeks of her life, I realized just how special she was, not just to me, but to the many people she touched throughout her life, so many friends came to see her, to call her, to gain just one more moment with her, before God brought her home to be with him. The sheer amount of love I was blessed to be surrounded by in her last few weeks will be with me forever, and I'm so glad that I got to be a part of that. I love you mom and thank you for helping make me the woman I am today. I hope that I will continue to make you proud.

“ Dear Betty

*You were more than an Aunt. You were and always will be a big sister, a friend, and a very special person. Having you in our lives was a gift. I will think of you and think of the times we all spent growing up. You brought Dave into our lives and we felt we had a big brother as well as sister. There is a big whole in all our lives right now. Someone once said "as long as we think of them, they're never really gone" I plan to think of you a lot.*

*Love*

“ *I remember going to the home of David and Betty when Patty and I were in high school I think, maybe college since we both went to Sam Houston and talking to her mom about her beloved poodle that liked to walk on it front feet when out in the grass. Crazy little poodle. She loved her family. You will be missed.*

“Patty, love and prayers for you and your family during this time. No words can express the pain of losing a parent. May God wrap his arms around you and give you comfort.

*"Do not stand at my grave and weep,  
I am not there; I do not sleep.  
I am a thousand winds that blow,  
I am the diamond glints on snow,  
I am the sun on ripened grain,  
I am the gentle autumn rain.  
When you awaken in the morning's hush  
I am the swift uplifting rush  
Of quiet birds in circling flight.  
I am the soft star-shine at night.  
Do not stand at my grave and cry,  
I am not there; I did not die."
