

Betty Lambert

March 3, 1949 - February 3, 2024

Betty Jean Lambert lost her year long fight with heart, kidney, and diabetes issues on February 3, 2023, at the age of 74. Betty found peace without pain or suffering. She will be greatly missed by all that knew her, but especially her family. She was preceded in death by her beloved parents, Vernon and Mary Lambert. Betty is survived by her two sisters, Jennifer Ray of Wills Point, and Dana Sanders of The Woodlands. Betty is also survived by many cousins, nieces, and nephews.

Betty was a resident of Dallas, for more than 30 years while working for Southwestern Bell. She moved back to Corsicana, in 2002 in retirement to take care of her mother. To Betty, being able to take care of her mother was her greatest accomplishment. Before retirement, she had two passions. Her first passion was her love for her family and its history. She was the organizational leader of family reunions as well as the researcher in the family's deep and rich history. Her second passion was traveling. Betty traveled to many states, countries, and continents and gained so much respect for people and culture during that time. In the last years of her life, she was a proud resident of Twilight in Corsicana. She was very social and loved her friends and caretakers.

Services for Betty will be held at 1:00pm February 24, 2024, at Griffin-Roughton Funeral Home
