“ *a few weeks ago, betty told me that she was not leaving us, she was just going ahead to prepare a place for her and james. i believe her, and i figure right now she is cleaning, etc---cause she is going to have it right when the lord calls james or any of us home. like the song says, she will be waiting on the other side of the river jordan drawing pictures in the sand---till she sees us coming, then she will take our hand and we will all see paradise together.*

james and lacrissa, we love you dearly, and we share your loss. you are in our prayers, and know that we all look forward to seeing our dear betty again. her pain is gone now, remember the good times, there were many.

*love,
mary jane, ronnie, and the family*
