“ Betty, I am so sorry for your loss, remember how she loved you and your family always, I found something for ya,

*Mothers Are Very Special People*

*Mother you are special and dear in my life.  
Never giving up in all of my strife.  
I feel the long nights you've laid there awake,  
Praying for some way I'll keep going straight.  
The lessons you've taught, I see so well,  
Guiding my life, in my heart you dwell.  
You've lived a life as a model to follow.  
Sometimes I wavered and pride I swallowed.  
I have long left the love in your nest,  
But remembered always, how you did it best.  
A halo adorns, your long awaited crown,  
As peace and tranquility I've found.  
Even though I can't talk to you every day,  
Just know in my heart, you will always stay.  
Then one day as heaven you will see,  
Keep saying a prayer, and thinking of me.*

*Our hearts go out to you and your family.*

“ *What can I say about Momma? She was a mother to everyone she met. Always there with an open hand and an open heart, ready to lift us up and help in any way possible. Giving advice was her specialty. She touched more lives than she will ever know. She will be missed dearly. I love you, Momma. God Bless all of the family and friends that are mourning the loss of this extraordinary woman with me.*
