Debbie and I are very sorry for your loss. Betty was a great person who did a wonderful job raising her kids. She loved Bob and her family more than anything. At least now, she will be joined with Bob again.

Please let us know if there is anything we can do for you.

“ Betty was in our Piecemakers Quilt Guild. She was such a sweet person. I knew her when she lived on Love, and then later when she moved to the Apartment on Fair Oaks, my mother lived their too. I got to see her a lot. When she married& moved to Mo., she wanted us to come see her, when we went to Branson, but we never made it up that way. Mrs. Luther told me about her illness& that she`d moved back to Texas. She died on my Birthday. She will truly be missed.

“ I first knew Betty in the quilt guild and immediately liked her. I was awed by her sewing talents and loved her as a person. We rode together to the Houston Quilt Festival one time, and had such fun. I am so sorry that I didn't know she was back in Corsicana. I would have gone to see her. We lost touch after she remarried and moved away.
My sympathies are with her family; we are never ready to lose someone we love.

“ To A Woman who was always wise, truthful... One who would teach her skills to others...One who loved her family and friends. Most of all one who taught me about growing up in the business world with her great knowledge.

I will miss Betty always.
