She would tell stories of riding horses along White Oak Creek. She attended elementary

school in Wilkinson community and later Talco public schools from where she graduated in 1951. She gained her nursing degree and worked at Titus County Memorial Hospital. When David gained the Elementary Principal's position at Forney ISD, the family uprooted from Talco and moved to Forney. Betty would work for 15 years at the Kaufman Hospital. After Charles graduated from high school, David became Superintendent at Canton ISD and Canton was their new home. Betty worked as a Librarian and still nursed. She also loved working for friends at First Monday. David would later gain the school superintendent position with Fairfield ISD and away they went to Fairfield and Freestone County in 1983. David retired from there and Betty continued to work for the Fairfield schools until retirement in 2007. She was an active member of Fairfield's First Baptist Church and for years sang in the choir. Her hobbies were working in her yard and watching Maverick Basketball and Longhorn Football. She loved following Fairfield High School Football and the Girl's basketball team. She was loving but opinionated and put her family first. Birthdays, Christmas holidays were extra special events for Charles, Sarah and the girls. “ Mr. Whitaker hired me at CISD and were lasting friends for Mr. Whitaker and Betty. She was a hoot and think she was good for Mr. Whitaker.

I'm sorry I have not kept up with her the last few years. She would come to Canton and work for Fairrie and Larry Cox along with their girls and me.

She loved her family and life.

“ Betty and I had a close relationship. We did not see eye to eye on a lot of things. But we were able to keep our relationship strong. We would just say "I'm sorry" and move on. I have a lot of regrets with Betty. I have two daughters with cancer. One was just diagnosed in November, and I have made and am still making trips to Victoria every Sunday to keep her 4 kids during her chemo. I fractured my pelvis the first of June and was bed ridden and on crutches for 3 months. I was not available to be a good friend to Betty. I feel very lost and saddened that I did not get to have any time with her the last months of her life. She was truly a unique individual! I still can't believe she is gone. I am praying for your family! Cindy Capps

“ *Betty was not only a dear friend, but a coworker & akin to a local grandparent to our kids. She never failed to call on my birthday & then called my daughter, as we shared that special day. We moved away almost 30 years ago, but we still kept in touch with cards & calls. She will be missed.*
