“ *Dear Peggy & Leisa,*

Daddy thought an awful lot of Bill and I have so many memories of him at our farm and over at you all's place. Everytime we came over to see him he let me have a coke from the refrigerator in the barn.

Our prayers and thoughts are with you all as you try and figure out how to do life without him. It isn't easy but the Lord will see you through.

“ *The world lost one of its finest. Bill was a very special friend and neighbor and we will miss him more than words can express. From the day we moved that old house across his pasture to the lake on the South side of his property, he was always there to help and lend a hand. We will miss his friendship and words of wit and wisdom. We have known him for only 10 short years but feel like we have known him all our lives. We will be remembering Peggy and the rest of the family and send them love and prayers of peace and comfort.*
