“ *Billy G as he was know in high school. I was the one who convinced Billy to move to Texas all those years ago. He and I were great friends in high school and continued that friendship to date. He came back to Portland to attend my wedding and then again to meet my children. I know I'll see him in heaven when my time comes. See you then Billy G.*

“ Bill, "Willie" as some of the guys called him, always had a smile to share. He was always fun to be around. When you see Moose in Heaven I bet he will give you a big hug and want to know if you brought your darts. You are going to be missed by so many. RIP.

“ I will never forget Bill, "Willie" as some of the guys called him. He was always fun to be around. Wouldn't surprise me if Moose didn't meet as he arrived in Heaven with, Hey! Willie good to see you my old friend, did you bring your darts.
