“ I know my father (Robert Burluson) loved Billie and what I remember most about Billie was her love for her children and her laughter and smile. She was always so warm and welcoming and you felt Love coming from her. So much like her mother Aunt Zada. I am so sorry to hear of her passing. Sending Love and prayers to her family. 🙏❤️

“ Love you, Billie. I hope you & my mom are smiling & hugging each other right now. You & Linda meant so much to her. I remember our family reunions, how special they were, especially when I was a kid. I remember your little dog, Spooky. I miss my mom so much so my prayers are with your family, that they will remember all the good things, the happy times & find comfort in that. Love each other always.
