“ *Billie Kirk will always be remembered by me and my family as a kind, fun-loving lady. Even though it's been years since we've seen her, there are many good memories of she and her family over 50 yrs. ago. I spent many happy days in the Pursley community when I was a child, staying with my grandparents, Fred & Lora Copeland & my uncle & aunt, Charles & Sue Copeland. May God bless Billie's family at this time. With deepest sympathy, Linda Norwood Wade*

“ *Billie Kate was a special friend to me and my family. I always loved being in her presence because she was always a fun person. We were always getting tickled about something. She was a good person, and a good friend to all who knew her. I just can't realize she was 85 years old, but then I can't realize I am 72.*

*My love and deepest sympathy to all the family.
