

## Billie Murphey

June 12, 1925 - July 23, 2019

Billie Murphey went to paradise peacefully with her daughter and many other family members and special friends by her side. She lived a life of dignity, gracefulness and a little proudfulness.

She was born to William and Altha Hinds in Coleman, Texas; second of five siblings and whose father left when Billie was ten years old. Mother met my daddy in WWII early days when daddy was training in boot camp for deployment. They married January 8, 1946 soon after they had their first beautiful daughter, Sharon and nine years later their second beautiful girl Janet. We eventually relocated from Victoria to Corsicana where daddy was from. Daddy and mother successfully operated Warren Murphey Concrete Construction following in his fathers footsteps. They also operated Warren Murphey Antiques with a 32 year collection of fine antiques. Mother also worked at Sears from my first grade through seventh grade. Mother was loving beautiful, nurturing, always worrying, mother. Billie was an almost life-long member of the Church of Christ, attending Westhill up until recently. She and my father were baptized on the same day. My parents raised us in a Christian home.

Billie will be missed in this life by many, but most especially by myself. She was a good lady.

She is preceded in death by her parents, Warren Murphey and Sharon Seely. Siblings, Don Hinds, Matt Hinds, Doris Biehl, nephews, Mitchell and Darryl Hinds.

She is survived by daughter, Janet and Richard Coleman; Sister, Lou Tidmore; son in law Pat Seely; three grandsons; seven great grandchildren and numerous nieces and nephews.

The family would like to express thanks to New Century Hospice and thank you so much to Dr. Kent Rogers and his office staff. Also to special friends Malvinee and Hank Jett, all the sitters who helped out with a long fondness to Ella. And the members of Westhill Church of Christ, Thank you all for your support.

Memorial service will be 2:00 pm Tuesday, July 30, 2019 at Westhill Church of Christ with Tim Cooke and Anthony Warnes officiating.

“ *Billie Murphy, a beautiful Christian Lady in the brightest, purest and truest sense. A proud mother & grandmother whose eyes would brighten at the mere mention of family. A humble Christian whose face, actions, dedication and commitment reflected Jesus and The Spirit living in her. We will miss her but are relieved that she is freed from the many burdens she has borne so bravely. A great example of a true Christian Life. Joe Glass*

“ *Janet, I'm very saddened to learn of Aunt Billie's passing. I always loved our visits to your home when were growing up. One of my favorite things to do was to listen to her tell the stories about growing up with my Dad. Her voice made the stories even better. She was a true southern lady.*
