“ I knew her many years ago, but she was a wonderful woman even then. I'm so glad she got to meet her great-grandson even though he was only a baby. She was such a supportive and generous woman. She will be greatly missed.

“ Billy Jean will be missed. I never seen here without a smile. I can remember going to her house as a little girl and how she always treated us like we were at home. She was a great woman. We sure will never forget her. Im so glad I got to see her not long ago and as always she had the biggest smile on her face.
