“ *Pawpaw,
You will be so missed. I hate that we missed so much precious time together! You taught me so much, and I will always carry that and our wonderful memories together. I have Paint pig (the book you used to read me every night) and I will continue with that tradition. I will read it to my children, and hopefully grandchildren one day. I could not have asked for a better Pawpaw.. I love you. And my heart is breaking knowing you are gone. But I am at peace knowing that you are no longer in pain, and with Uncle Cary, Nanny and your Dad! I love you Pawpaw... until we meet again, keep an eye on all of us. I love you!*
