“ *Nita, Ricky and Brad: your Dad was a very special man. He and Dad are laughing now on the memories of our summer vacations together. I will pray tonight for each of you. I can still remember Bill catching his first rainbow trout in headwaters of the Rio Grande.*

“ I have worked for Ellis County Farm Bureau for 30 years and had the great pleasure to meet Bill years ago... I will never forget his joyous spirit and his happy nature, he was always so kind and had a smile on his face at all times, I haven't seen him in many years but he was a person that was never forgotten. My deepest sympathy to the family, my thoughts and prayers are with you all at this time.

“ As a young man, Billy Carmack was a great role model, teacher, and coach. Those of us fortunate to come under his tutelage will never forget him or the life lessons he taught. Thanks be to God for giving us that gift.

“ Nita, I was so sad to read in the paper that Bill has passed away. You two were a special part of my life when he was the manager at Farm Bureau. I loved to hear him laugh, he was so happy. He turned Farm Bureau around. We went from no money to more agents and more money. It's been a pleasure to know ya'll, even though I haven't seen ya'll in a while I have never or will never forget him.

*Nita, I'm so sorry to hear of Bill's passing. He had a way of keeping us laughing at the office. Anytime I think of him, the first thing that comes to mind, is what he would always say when he was greeting someone. "Just trying to make a hand pard, just trying to make a hand". May God bless you all. Greg Newman.*
