“ *Every time we went to visit Aunt Shirley and Uncle Bills, he always made banana pudding or homemade ice cream, which of course was the best ever! And sometimes, I would talk him into taking us to fish in the tank where he had catfish as big as we were! I remember one time he drove his truck right up to the water, and those fish would come halfway out onto the bank because they knew he was coming to feed them! He and Aunt Shirley always made sure we had a good time, good food, and always felt loved. They were like my second mom and dad.*

*Love you Uncle Bill,

“ Billy knew my dad very well and our family. My dad has been gone for many years, but my family and others that know Billy would always have a smile on their face when his name was mentioned. He was a one of a kind, very personal man that truly cared about people. He will be missed.
