“ *I knew Peanut most of my life. He was kind, soft spoken, & always a gentleman. I don't know any one that didn't like him. We will miss him. He loved his family. My heart goes out to all of you. Pace, I know you will always remember the love, & good times you had together. I'm not sure he didn't have more fun than you did. Thank the Lord for the years you had him. Not many people have a grandfather like yours. He left you something no one can ever take away. He would want you to have a happy life. May God bless, & comfort all of you in your time of grief. You are in our prayers

*My heart hurts for each of you.. Peanut is in a better place, free from the suffering, but here on earth, we are mourning his passing. He is another close link with my own father that has is no longer there.*

*Peanut loved Pace... He was so proud of him. Hold that close Pace, and it will help you to get through these next dark days...*

*Belinda, we all expect to outlive our parents. But we are never prepared and it always hits us very hard when it does happen. You and your family are in my prayers and my thoughts ..*

*If there is Anything that I can do, please don't hesitate to give me a call.*

*Much love, Glenda*

“ *Belinda,*

*I'm so very sorry to hear about your dad and it seems impossible that our parents grow old and pass away. I can still see you im my mind's eye running toward your grandmother's old Nash Rambler station wagon when school would let out in the first grade. In some ways 1959 seems like yesterday and in other ways an eternity ago. I'll be praying for you across the miles--be strong!*
