“ To the family,
Our deepest condolences to you all and our thoughts and prayers are with you. We have known the Perry family for a long time and have spent many wonderful times together. Because of busy schedules and distances between our homes over the years we haven't seen much of Billy and his family. I'm so sorry we didn't make it to the funeral. We didn't know about it until after the fact. Billy was a character and so much fun to be around. You will miss him for a long time and you hearts will ache to see him and one day you will. God Bless you all and our love and prayers go out to you.
