“ Linda, Gary and Family-

I am so sorry for your loss and want to say that Billy will be missed dearly. He was such a wonderful person. I am left with the great memories, the long talks, the endless laughter and the shared tears as we were all becoming young adults in the early 90's. I think the Lord today for letting me know a true friend.

I love you Linda, Gary, Veronica, & Michael.

“ I loved Billy, although I haven't spoken directly to him in over ten years. We had a falling out over something very stupid, I got married and moved away and although I should have, I never worked to mend our friendship and let him know how much I always missed him being in my life. He was such a joy to have as a friend, and I offer my sincere condolences to the family, because I know how very much he was loved, and because I know that this earth will be a little less bright without him. I wish you all peace, and I am so sorry for your loss.

“ My sympathy goes out to the family of Billy. Linda, My deepest sorrow for your loss of this treasured son.
He has been to my house many times over the years along with the girls. But lately he had been terrified of my big dog. He sometimes wouldn't come in he was so scared until we would garage him. But one day, he came early with Melinda and he was brave! He sat down (knowing he was tied-up) and attempted to pet him. "Dew" was okay but did not like it. Melinda got a wild hair and said "fine, you want to touch him? She let him go and "Dew" ran up to him, I yelled-out! But, Dew went right to his face.....Nothing but love and kisses!
That's when I knew Billy must be some-one special! My dog takes to no-one!
Since, Billy would enjoy petting him and no longer scared of this ferocious dog. What a special soul he was. He will be missed by us and all.

“ you know Billy, i've been left speechless since Wes told me about your passing...

of which, you also know me well enough to know "me being speechless" is a big deal... being, I never shut up....

anyhow, Billy; it's sad you'll never know in life, just how much you are missed in death....

you're a star in the sky my friend and deserve your rest... so, while we will forever miss you; we also just know, that just knowing you has left us, simply forever blessed...

V.

(PS.. now that you're up in heaven looking down on us all... I have a favor to ask? if you see that "Rosa" tell her my car is dirty and needs a good washing again)

love you forever

“ Billy,
I know I never said this enough but I love you so much, You will truly be missed I just can't believe that this is real, Im still waiting for you to come to the house asking me for some cereal, I know I need to let you go but I just can't you meant so much to me. You were always there for me when I needed you the most always telling me to keep my head up and appreciate all that I have with Lisa, What am I ever going to do without you I just can't see life going on without you here. I feel like there is a piece missing to my puzzle, Im going to miss all those late nights where we would stay up and talk and most of all when we would listen to our CHER cd and just dance around your room. I love you so much and I know now more than ever that you are an angel in heaven looking over us, Don't worry about your mom because me and lisa are going to take care of her for you, I wish the entire family the best and hope that one day we can all pick up the pieces to this tragic event. I love you Snowden Family and will always be here. -Melinda

“ I can't express the emptiness my heart feels now without you here to share our lives and grow old together. We were 4 yrs apart though it seemed like we were born the same day, I still dont know how or why this happened I just know I MISS YOU dearly. I know we were never the type to say this but I love you so much and wish we would have said it more often. I'm sorry for not taking the time to be there everytime you needed me and hope you can forgive me until we meet again. You were the best cousin anyone could ask for and I will never forget the joys you brought to my life. As I look back on all the family photos it seems we were always together, and thats why its gonna be so hard for me to go on.
I LOVE YOU BILLY!!!!!!!!!!!!!!!!!!!!!!

*"Standing by,
All the way.
Here to help you through your day.*

*Holding you up,
When you are weak,
Helping you find what it is you seek.*

*Catching your tears,
When you cry.
Pulling you through when the tide is high.*

*Just being there,
Through thick and thin,
All just to say, you are my friend...."*

You were a Blessing to all of us. I hope you know just how much.

*My heart goes out to the family...and friends as this was so sudden

love to those we hold dear because you never know what tomorrow
may bring.*

“ To the Snowden Family:

I am so sorry to know that Billy passed away. I was going on this website for another tribute book and saw Billy's name. I can't believe it. I just sat in shock. Billy was a great friend of mine in high school. He was funny, caring and sweet. I would see him every great once in a while in the last few yrs. I should have made the effort to talk with him on Halloween at the fall fest at the church. I am so sorry for you loss. I can't imagine what all of you are going thru. I pray that God will give you all peace and comfort during this time. I will miss Billy! He was a great friend and I am glad that I got to know him when I moved out to Mildred many years ago. We had some great times thru out the years. I just wish I would have seen him that one last chance. I also wish that I would have known before now so that I could have came and said goodbye. If you all need anything, don't hesitate to call. Billy was a great friend and I will miss him dearly.

“ I just found out what happened from your mom, and there are no words to express how much of an impact losing you has had on everyone. Billy, you were such a good friend to me, and I really hope you understand why I moved on. I think about everyone all the time. I've always thought about you- wondered how you are, and hoped that you knew I was thinking of you. I'm sorry if I never told you how special you are to me. Every song I hear now reminds me of you. I heard Macy Gray the other day, and I could swear I heard you singing! I have a 7 month old daughter now, Alyssa Nicole. She's beautiful!
So now you're free my friend to spread your beautiful wings and fly. I love you and may God be with your family and give them peace and understanding.

Love,
Amy
