“ *To know Billy Bo was a priviledge. To learn from him was even a greater priviledge. Seeing his smile and hearing his laughter was a true gift. I missed Billy Bo's birthday calls asking me if I knew whose birthday it was (we shared the same birth date). He would get such a kick out of me pretending I didn't know. He was so special in more ways than one. I was lucky to have met him, known him and for a brief while learn from him. Billy Bo will be missed by all who loved him. My thoughts and prayers are with Punkin who never waived in her love and care for her brother.* ”

*Sincerely and with love,*
