“ My condolences to you, James, as I have fond memories of your mother, Birdie. She and my mother, Frankie Anderson, had lots of good times at Memorial many years after you and I got through Travis and high school, they remained friends and visited with each other a lot and talked on the phone. I last saw your mother when I went to one of Memorial's homecomings several years ago. She still had that wonderful smile and sweet spirit. I ran across some old pictures made at my 13th birthday at a little party at my house and you and Darla Sue were kinda an item and Jimmy Myers, your cousin, and I were kinda an item which back then meant we held hands at the Saturday afternoon movies. I have wonderful memories of growing up and having a good time with your family at Memorial church. My sincere sympathy goes out to your entire family. Hope to see you at our 50th class reunion in October.
