“ *He will always be remembere as you share the stories and the memories of how he lived his life and how very much he meant, may you find comfort...and, throughout this difficult time, may you also know the deep sympathy and concern that is felt for you and a all your family. I have fough the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5*

“ My grandpa bj will always be remembered and he will always be close to my heart he was always the one to make me smile when i was in a bad mood. I miss him greatly he gave me the nickname "gums" and it will always follow me no matter how old i get. He lived his life the way he wanted and now that he has passed i think he is alot better off because he isnt suffering anymore.

Hey he was my grandpa to. May I ask who you are?

Ben Frost - October 09, 2020 at 11:03 PM

My uncle BJ was more of a father to me growing up. He had a very caring heart and was comical too. I still miss him. We did not know a Crissy Floyd, nor did he have a grandson name Ben Frost.
