“ *I remember Bob as a freckled face little guy and not afraid of anything. I am sure he turned into a good man He was blessed with a big family and had a very noble profession.

“*I think of all you often and wished we had made more of an effort to get together. I always remember when we spend about a week with you and played baseball everyday, I loved that time with all of you! I loved hearing Gert's laughing and eating her great cooking. I remember Bob's GOOD hugs at Gert's funeral! He was such a sweet guy! When Bob drove for K-mart I just happened to be at the Snyder K-mart working that day and got to have a Coke and visit with him for a while. I sure will miss him.
Love you all, Judy*

“*I remember going to y'all's house when we were kids and having so much fun. We would play hide and seek, wrestle and just run and play all day. Bobby always had such a mischievous look on his face...for good reason! Bobby Neal and I were both born in 1950, so this seems so unreal to me. Even though I haven't seen him since Gertie passed away, he's been on my mind at different times. God bless you and my you have His comfort. You will be in my prayers.*

“ I am very sorry to hear about Bobby Neal (that's what I always called him). I hadn't seen him in a very long time, but remember him growing up. His mother and dad and Cheryl, Buddy, Bobby and Bruce would come to visit us. We were all very young then. Sorry for you loss. I know he will be missed. I will keep the family in my thoughts and prayers.
May God Bless You and Give You Peace and Comfort which can only come from Him..... Love Jodell and Family
