“ *My dad was one of the smartest men I ever met. He loved country music and knew how to boogie. I met him one night when me and mom was clubbing in lake Jackson.He was attrated to mom straight from the get go... He was the best step dad of five. He excepted me and Wendy as his own. He helped me work on my cars and let me stay with them after highschool. I loved Bob as a father. He will never be replaced in my heart!!!*
