“ A friend, but so much more. One could not be "adopted" by a better family anywhere! Miss Bobbie, or Mom Beam often called me to be an encouragement as much as she called for prayer. What a joy she has always been. Since the death of my own Mother, "Mom Beam" has been most dependable. Thank you for being there, you will be missed!

“ Bobbie Jean and my mother (Virginia Dozier Holifield) were best friends, grew up together, graduated high school together and were close life long friends until my mother's death in 1975. There has always be a bobbie Jean in my life, I will miss her greatly, this person was bigger than life....

“ I was unable to attend the services for Bobbie, but you have all been in my thoughts and prayers. Bobbie was such a special lady and I always had a lot of respect for her. She and I worked on many different jobs in the church together and we always seemed to get along so well. It was always a pleasure to be with Bobbie, who was truly a fine Christian woman. She will certainly be missed by me. I know how important her family was to her - she couldn't talk about all of you enough! I will pray that God will heal your hearts.

“ To all of Bobbie's family, I want to express my sincere condolences. I was away when she passed away & didn't learn of her death until recently. I know what a hole must be in your hearts now, but with time, God will help fill that hole with loving memories. God bless you all.
