“ *Aunt Bobbie was one of a kind. She was an inspiration to our family. There was never a time that she did not ask about my family and how we were doing. I am truly going to miss her and am thankful for all the time that we had together. I Love You Aunt Bobbie.*

“ Since coming to Frost 14 years ago, Bobbie has been a loving friend to the Vickerys. What a wonderful person for our kids to know and love. She never missed a game, an event, or a chance to brag on the kids of Frost. She and Mrs. Dugan played the role of loving grandmothers to Frost kids for many years. As a coach, I could not start or end a game without talking to Bobbie and Fannie Lee. Bobbie was one of those rare friends that brightened any room she entered. We all wanted a hug from Bobbie Jean. I will miss those hugs and miss a woman who has inspired me to be a better person, a better mother, friend, wife, and teacher. Bobby, Mary, Jesse and I will always remember our friend, Bobbie Jean.

“ I just wanted to pay my respects to Bobbie and her family in this difficult time since I wont be able to do so in person. My father Willie (or some called him Tate) Crawford and Ricky Green were good friends in high school. My dad always spoke very highly of Bobbie and her husband and had great respect for them both. Even though I had only met Bobbie a few times I know she was a sweet, caring person and my heart goes out to her family and loved ones. My thoughts and prayers are with you and God Bless.

“ Oh, how Frost will miss Mrs. Green! The school sporting events will be missing one of the most faithful supporters ever known to Frost. She was a great lady, and we have a huge hole in our lives now. Whenever Kenneth and I would come back to visit, we always made sure we saw Mrs. Green at some point. If we didn't, she would find out and get on to us the next time! Her hugs after basketball games were either a comfort after a loss or a celebration after a victory for my husband and me. Our 15 years in Frost are the fondest years we've had so far, and Mrs. Green was one of the biggest blessings. Praise God for a life such as hers!

“ To the Green family. Mrs. Green was a wonderful woman, full of energy and life. She and Mr. Green would always ask how I was doing long after I moved away from the Frost area. She will be truly missed.
