“ My heart breaks for you and the girls. He loved all of you so much he told me years ago that he did and he will always love all of you. He told me it was a gift to be a Dad to your two girls and he loved them as if they were his own he never thought any different. He was always such a special person to me and when you two were married it was really special. Also remember that you were so loved and hold that love in your heart and memory forever.
Love you all of you and the family,

“ How can anyone not love Bobby Allen? We've known him and laughed with him for most of our lives. He was gifted with a wonderful personality and a joy for life that touched everything he was a part of and I don't ever recall seeing him angry. He loved his family first and always and befriended everyone. He is dearly loved by many.

He was kind to us and made us feel at home when we visited. He will be missed by all of us. We will never forget him and will each have a special fond memory of him.

For me, I will always smile when I think of Bobby's warm greeting to me one morning when I came to pick up Genevieve. He was standing outside the house at Chatfield grilling something that smelled heavenly, dressed in his "fruit of the looms" and cowboy boots. We had a nice conversation and I don't think he blushed at all, but I was blushing to the root of my hair, which made him laugh. I still smile every time we grill and think of that morning.

I'm sorry for your loss and I pray sweet memories and the Lord's own arms hold and comforts you during these sad times. But most of all I'm glad Bobby isn't hurting anymore.

“ Pam, Ashley, and Alissa--
Bobby lit up the worlds of people that knew him with his smile that radiated kindness and with his eyes that showed the definition of joy, and happiness. From the first moment I met Bobby, I knew this man was great, I knew that he had been put on this earth for the good of mankind, and to prove to people that human beings today can be generous and sweet and strong and that it does exist. God must have needed a wonderful man in heaven, because he chose one of the finest. I'm am so happy that I had the honor of meeting such a wonderful man full of life. I'll never forget you Bobby
I love all you girls, you are my family, always.

“ I'm so sorry to hear of Bobby's death. We weren't real close but it leaves a deep hole in a person's life to hear of loosing a family member. I know we will all meet in heaven and may God be with his immediate family members.
I would really like to know if he had any pictures of Daddy's family such as (sisters, brothers, etc.) I would really like to have some if I may. I am interested in tracking Daddy's and my family ansesters.
God Bless each of you and keep you.
