“ Childhood memories come flowing back. Bobby Dan was the best man at my wedding to Robbie. His friendship will be remembered always. Your father and husband will be greatly missed by all who knew him.

“ In my teen years, Aunt Johnny and Uncle Harold made me part of the family on several week-ends where I met my bride of 47 years, DiAnn McGraw. We worked the farm together and went to several rodeos together. I will always remember those wonderful days when Bob and Billy and I had so much fun. I know that he is with our Lord as I write this. He was a wonderful man. I pray for you the family because I know the loss is great.

“ My thoughts and prayers are with you all. My memories of Bobby Dan and Billy Ray were made fresh in my mind when I retired to BG not long ago...Not only were we cousins, but we were neighbors for several years in the old days. I know it will be difficult in the days to come, but remember the good times. That's always helped me at a time like this.

“ *Jettie Bell, I did not know until today that Bobby had died. I am so sorry for your loss. I will always remember him as he was when he worked at the old hospital. Those were some good days, working in Respiratory Therapy. I was just 18, right out of high school. All of you took me under your wings and taught me the ropes. My experiences there led me into the nursing field. I have such fond memories of those days and I hope that reading this will bring back some of those memories for you as well.*
