“ To the Bryant family, I am so sorry for your loss, I know there are no words during a time like this, please know that your dad was such a huge positive influence in my racing the last few years, I appreciated his support and positive comments. I only wish we could have hung out together. I just wanted you all to know that he was a blessing to me and I am praying for God's strength for your family. God Bless

“ I would just like to say to Bobby Bryant's family, I didn't know your dad & Mom for to long, but what time I did know them I thought they were the nicest couple I had met in a long time, you could tell they truly loved one another and they definatley loved their children & Grandchildren. I enjoy talking with them both, even tho u won't be able to talk with your Dad here on earth again, you can set your goals to meet them again and have a grand reunion.

Your dad and Mom treated Ray & I with great kindness when we stayed in their home one time and we enjoyed being there. So you kids have a lot of beautiful memories to keep you thru out the rest of your lives, and I guess the best thing I can say is this, make many, many more memories with your children so when something should happen to you, they will have the memories to carry them through. I love u all, but most of all God loves u all. he will be there to give u peace & comfort in your hearts.

Love & prayers

“ Daddy you are the best! I am devastated out of my selfishness today, but I am so thankful that you are with Momma, and that you can breath and walk and are out of pain. You are the most precious and rare gem! I will be so lost without the daily calls. I know you can now enjoy some racing, something you have missed so much! I love you we will see ya one day! Love your Baby Girl!
