“ I valued Bobby's love, friendship, understanding, support and everything else for over 50 years. We were teenagers when we first met and over the ensuing years we each experienced sadness, heartache, pain, wild joy and devastating losses. I could always turn to Bobby for support, understand and an honest assessment of the situation. I valued and respected his opinions, judgments and calmness in the eye of the storm. I will miss him so much. However, I KNOW he is OK and wrapped in the arms of God. Neely, may you, and everyone that loved Bobby, find peace in knowing that he is OK. With all my love, Billie
