“ *Dear Dianne, Kristie and Melanie: I am so sorry to hear about Bonner. He was a fine man. He was an even better friend to my dad. I just couldn't believe it when Aunt Carolyn called this afternoon and told me the news. I am going to try to attend the services, dad would have wanted this. They had many good times together and are going to have more, now that they are together again. Lord, the stories they are telling! They are probably comparing bird dog tales! Ha! Just know that time will heal your broken hearts at this time of loss. The girls and I love you all! Brenda, Jennifer, Jessica, and Chloe Rash.*

Bubba's children seems like they know Bonner so well because Bubba talked about him every day. They send their thoughts also. Greg's family and myself send ours also, and prayers especially now that you have lost yur Dad and Papaw. We all really do know how you feel. I know Bonner's life the last many years, but let me remind you that he was saved and he is up there with Cab, Bubba, Bubba M.,the preacher(my James), your other grands and friends, family. You both are beautiful women and you have a beautiful Mom to be there for you. Remember to put the Lord first and He will pull you through. Love, Joy & all*

“*I remember Bonner from our days in Purdon. Yes he was older and as older young men tend to do, he was a regular pest...and at times a jerk... as an adult, he let us all see a side of him that we did not know existed. His mother and my dad were cousins...and he had a wonderful mother and father... I am so sorry for all who suffer from this loss, his brother, his children, his grandchildren and his friends. May God keep you all wrapped in his loving arms--*

“ From the first time I met Bonner French when I was a child he made me feel welcomed and a part of the family. He was kind to me and my siblings without fail. He could tell the best stories when he visited our house and he always made my Dad laugh and smile. We needed that many times during those years and I appreciate Bonner's knowing that.

The man I knew loved his family and his bird dogs. He worked hard and played harder. His girls were his life and he adored Diane. Time passed and things changed, but I know those two things didn't. I could still see it when he spoke of them and he did often.

He took care of my Dad when he needed it and he brought joy back into my Dad's day. I can never express my thankfulness for that.

Bonner had his shortcomings like we all do, but he was an angel to me and mine. He made my world better and for that I will be forever grateful. I wish I'd told him.

For your loss I am truly sorry. I pray you have beautiful memories to comfort you and the Lord's care to get you through this time of sorrow.

“ *To the family of Bonner French.  
Very sorry to hear of the loss of Bonner. He was always very friendly to me and we all grew up in the Dawson High School area. I saw Bonner from time to time in HEB shopping and he took the time to say hello on those days.

“ *Colorful and bigger than life itself at times, Bonner was a favorite of all who visited our ranch, particularly our TCU men friends who annually participated in our "Big Chill" spring outing there near Dawson. At TCU games or events or in Houston, so many participants would ask me how Bonner was doing. They really enjoyed his company. Bonner seemed to symbolize the relaxed life style of country living, leaving an indelible impression as being as happy and friendly as they come. We all will miss Bonner. Our heart felt condolences to all the family and friends of Bonner. Randy*

“ Dear Girls.....as Harry's wife, I remember he and I invited to your home for a cookout. As me and Harry were strangers in Dawson, I remember such a great guy (your Dad) standing over a smokey grill, cooking for us on a lovely afternoon. We were there celebrating one of you girls graduation. Anyway, Bonner, made such an impression on me as such a wonderful, proud Dad, I have never forgotten him.

*I am so sorry for this untimely loss.....who can understand or know why? Please know that God is with you, and all will be well.*

“ *Dianne, Kristie and Melanie,*

*I just wanted to say how sorry I am for the loss of your loved one. I can't say what it feels like to lose my soul mate and my father but I can imagine the pain you must be feeling. From personal experience of losing my brother, I can tell you that the tears you shed today will one day turn in to smiles and laughter when thinking of him. You are all in my prayers. Always remember... HEAVEN IS NOT A PLACE THAT YOU GO WHEN YOU DIE... IT'S THAT MOMENT IN LIFE WHEN YOU ARE ACTUALLY ALIVE!  
I love you guys,*

“ *The world has lost one of the "good guys" - Bonner was a great, caring friend that was always there, in good times and bad, with a listening ear, a helping hand or just to be there when you needed a friend. I'm going to miss your smile, your laughter and your calls when you were just checking in. Rest in Peace my good friend as you will be sorely missed by those who knew you well and loved you much!*
