“ *We met Bonnie after we moved to Blooming Grove when she had a dress shop. She was a good friend from the first time we met. She was always a person that I felt I could count on in times of trial and illness. We will miss her greatly but look forward to seeing her again when it is time for us to cross over into the promised land. May our LORD bless each of you during this difficult time and bring you peace.*

“ *Aunt Bonnie was and will always be my favorite Aunt. I remember going to visit her and Uncle Calvin when I was young and just loving being around them. when people up here in Idaho tell me I have an accent I tell them all about my Aunt Bonnie's and how I wished mine was just like her's. I could listen to her talk for hours and never get tired of hearing her speak. My sympathies go out to yall I know how much she will be missed by everyone. Now Heaven has the best cornbread ever made.*

“ My husband Steve and I met Bonnie when we began attending church at First Baptist Blooming Grove about a year ago. She welcomed us with open arms, and I mean that literally, from the first time we met, she hugged us both and made us feel so welcome.

From that first hug blossomed a wonderful relationship that Steve and I will cherish forever, we looked forward to seeing her smiling face and feeling that heartfelt hug every Sunday morning. That is something we will truly miss. We always sat next to Bonnie, or right behind her during church, and when we sang hymns, you could tell she sang from her heart. Bonnie loved to sing to the Lord, she loved her church, and always looked forward to attending and having fellowship with her friends there.

In the very short time that we knew Bonnie, she was such a blessing to us.

I thank the Lord for bringing her into our lives.

Until we see her again one day, we will reflect often on those precious memories.

We love you Bonnie

“ I can't think of Bonnie without smiling! She was a part of my life as long as I can remember. She and Calvin were such good friends of my parents when I was growing up! I always admired her sense of humor, her frankness, her hard work and the dedication she had to her Lord, family and community. I had a chance to visit with her when she voted in the last election, I will treasure that memory. I know in my heart that the four old friends are having a reunion in heaven right now.
