“ *My thoughts and prayers have been with and go out to Brad's family and friends. The Mildred class/family of '83 has lost the earthly presence of our classmate, teammate, friend, and brother. Much more than that, Barbara has lost a son and Randall and Rhonda have lost their baby brother, Jeff has lost a cousin and Leecia has lost her best friend, husband, and soulmate.*

Brad was one of my oldest friends,. I've know him since preschool. We were teansates from gray-y football through Jr. High And High School. I have many fond memories of him from those days of of our youth. From his birthday parties playing in the tunnels made form stacked hay bales in the barn, charades, pin the tail on the donkey and playing pool after school before games. He was always a dog lover, all the way back to his black Chow, Cing, and Sarge. The memories of his laughter, humor, smile, love and friendship will remain in our hearts the rest of our days. I consider myself lucky to have known him and we are all blessed by his life.

*God Bless,
