“ Prayers for all the family and friends of Brandi. We are saddened to hear of your loss. From 5th grade when I met you and even through the years of losing touch and then seeing you around town you have always been a special part of my life as well as anyone you have ever known and I will never forget your laugh, your smile, and your love of your family and friends or when we got into a fight in 6th grade and you beat me up so we could see what ISS was like lol.... You are truly one in a million and will be missed always!!! To your daughters: Your mother is the coolest angel ever!

“ *What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget.*

2 Corinthians 1:3-4 Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort, who comforts us in all our affliction, so that we may be able to comfort those who are in any affliction, with the comfort with which we ourselves are comforted by God.

XOXOXO

“ Tammy and I wanted to say how sadden we are about hearing about Brandy. Brandy always excepted me for who I was and when Tammy and I got together Brandy was so happy. She seemed truely happy about our relationship. Brandy was always true and spoke her mind. One thing is for sure, you always knew where you stood with her. Brandy loved her girls and nieces and her family. Brandy lives through her girls...Promise to take care of and love them. Mac and ali are like my nieces. they call us there aunts. RIP BRANDY...
