April 21, 2009 - April 21, 2009

On April 21, 2009, God took a very special angel home, Breeley Rayne Blissett entered this world for a brief moment and then went to Heaven to watch over her mommy April Blissett and daddy David Wagoner. Breeley is also survived by her grandmother Teena Blissett, great grandparents Bobby and Melba Blissett, Aunt Kim Seim of Muskogee, OK., uncles Justin Blissett and family of Huntsville, Nathan Seim of Muskogee, OK, Chris Shaw of San Antonio, and numerous other family and friends including April's McCoy's work family in Corsicana. In lieu of flowers a benefit fund has been established at Citizens National Bank, 3590 W. 7th Ave. Corsicana, TX 75110, under the name April Blissett Benefit Fund.

“ *April and David. My heart aches for you. Losing a loved one is never easy but losing your baby after just a few moments I can only imagine as the worst pain ever. April, I know your faith is so large and I hope you can remember that God is there for you. Some day you and David will know why Breeley had to go home so soon. At the service yesterday when the Pastor talked about Jesus holding Breeley in a big rocking chair I almost spoke out and said Grannie has her. Then I pictured my Mom waiting by Grannie for her turn to hold Breeley. I know you never got to know either of them but oh April, I can assure you that with those two watching over her, she will be smothered in love until the day you are there to hold her again. There is so much healing for you and David to do. I pray that you hold on to each other and trust in our Father for your healing and comfort. What beautiful pictures you have of her to always hold her close. Your strength amazed me as I watched the DVD you made. What a beautiful tribute to a precious angel. We love you. Our thoughts and prayers will be with you always remembering Breeley.*

“ April and David,  
My heart broke when I heard the news about your loss and Heaven's gain. I have waited until this morning to write a tribute because I was wanting to find the right words, but there are no words to take away the pain. I can only offer words of encouragement and prayer. I want you to know I will be praying for you daily the prayer my Dad prayed for me once "May God keep you in the Hollow of His Hand" and you feel Him all around you. If there is anything I can do for you , I'll be here for you and your family.  
Love,

“ April my heart was made sad when I heard of the loss of Little Breely. I know God is very near at this time tho sometimes He seems so far away when we are hurting. Look to Him for grace and comfort. I know you have a loving family who are there for you. And I am too.

“ April,  
We are so sorry for you and David's loss. I know that Breeley is in heaven sitting on everyone's lap that preceded her, getting all of the love she would be receiving here on earth. She is with the lord where she belongs. I know that you only got to hold her hand for a little while, but she will be in your heart forever. One day you will be reunited in heaven with her. We love you so much, and if there is anything we can do to help you get through this difficult time, please let us know. We will be there in a heart beat! You are truly a great person and you have so many family members and friends who love a cherish you. I admire your will to overcome this tragedy and continue with life on earth. Please always know that this was not your fault, and that God works in mysterious ways to protect and love us all. Please take care of yourself and David.
