“ *I was so sorry to hear of Brenda's passing. We became close friends in high school and stayed in touch all these years. She was proud of her family and probably a better friend to me than I was to her.*

My heartfelt condolences to all her family

“ *Chad, my prayers go out to you and all of Brenda's family. My heart breaks for all of you. She and I spent many hours over the years, watching you and Tommy practice and play soccer. She loved you dearly. May God give you peace and comfort, in all the days ahead. One thing I know for certain is that Jesus is the only One that can and will help us through times like these.*

“*Dear Chad and Family ,
The Fondrens are deeply saddened in the passing of your Mom. Bobbie and I have many fond memories of Brenda when she would often sub in our early days at Drane. Then we had so much fun in our early married lives when we would have pot luck lasagna dinners at the house of the Brinda with the i. We will always remember those cold bundled up soccer nights sitting with your Mom watching the guys play and usually win. Chad we will be praying and thinking of your loss in this Thanksgiving season. Bobbie and I are so thankful for all the sweet memories your Mom helped to create in our blessed and wonderful Corsicana life. God Bless you Chad and your family , we are grieving with .you.

Thank you so much, David and family. There are so many wonderful memories I will always have from those youthful soccer years that wouldn't be possible without both y'all's and Mom's dedication. I know she was also very happy when I ended up having you and Mrs. Fondren as my history and math teachers at Drane. She thought the world of y'all as do I. Thank you for the warm condolences and for sharing those great remembrances with us. God bless you all and have a wonderful Thanksgiving. - Chad
