“ *Brenda and John created a beautiful family which I have always cherished and admired. I have Many wonderful memories oF Brenda’s smile and laugh. She welcomed us so many times into her home- always clean and comfortable- for family events and laughter. For me, she was an example of the best way to live, with joy, love, and kindness. I am So grateful for her and all the gifts she gave me and my own family. Love you, aunt Brenda*

“ John & Family - I had the privilege of talking to Brenda on several occasions over the years. She was always so pleasant and friendly. I could tell she was special and had a very strong love for her family. I especially enjoyed the Christmas cards every year. Please find peace in knowing she is no longer ill and is in a better place. Find strength in knowing there are many people praying for all of you during this time.

“ *I am at a loss of words. We are heartbroken over the loss of Brenda. Brenda was an amazing Sister in law and Aunt. She always opened her house to so many for all The McCollum gatherings offering laughter, conversations, of course food (McCollum's love to eat) but most importantly LOVE. I knew my family could call on her any time and she was there willing to help. I have so many memories that I can't list all of them, however they will forever be cherished in my heart. I am glad we were at her side at passing to say Goodbye for now, but not forever. I pray that John, Jonathan and Krystal find the strength to to heal and lean on GOD for comfort and that the the love they have for Brenda outweighs the pain of loss. I pray that Lily, Levi, and Stella know the love that Brenda had for them. Every tear cried is a memory that is cherished.*
