“ Thank you for always being there Brennan. We never fell out or argued about anything. We we're always genuinely happy for each other as we navigated our way through everything that life would throw at us. We never took our friendship for granted. I'm lucky in that I have so many good times to reflect back upon with smiles, laughter, and head shakes. I just wish that I was going to be able to create some new ones. You were more than a friend, you were a brother to me. I can't believe you're gone. I'm really going to miss you, may you rest peacefully.

*My condolences to Anne, Harry, Brook, Amber, and the rest of the family.*
