“ *brice was a wonderful man, and was one of our best friends. i have never met a person who cared for his two kids the way that brice did. i met him when he came to me to find a 2nd job so he could do things for the kids.*

*he lived each and every moment doing something that would benefit them.in return, they love him with all their hearts. i guess it was fitting that in the end, he left us doing what he wanted, and with who he wanted to be with. we will miss you big boy.....
you were truly one of a kind.*

“ Mr. Bonner was such a wonderful man; he taught me science for six strait years at Avalon ISD and was also my driver?s education instructor. “ I am so sorry for your loss. MR. Bonner will be greatly missed by his family and friends. He was always willing to help his students with anything, always wanted to go the extra mile to make sure his students passed his class. I have many fond memories of freshman biology with coach Bonner and my former class of 1997. He was a great teacher and friend.

“ Mr. Bonner was always a cut above the rest with his ability to reach his students and his integrity was always impeccable. We enjoyed his talks about virtually everything and anything - from solar energy to agriculture to his next vacation with his kids. He was the greatest example of what a parent should be to his children. He was beloved by the students he taught and his heart made a greater impact on them than any textbook ever could. He will be greatly missed but always remembered and associated with Avalon ISD.

We will miss you, our friend.

“ Kristen & Brice: I loved your Dad like a brother. We taught and worked together at Avalon for 13 years. We kept in touch last year when the two of us changed school districts. He was an awesome man and and a great friend. He always called me "Speermobile" and I never knew where that came from...but you know your Dad...he loved big and was always there when I needed him. Thank you so much for the honor and privilege to be able to say a few words about your father. May God bless you and keep you safe in the coming days. Love, Brenda

“ I had the privilege of working with your dad for 8 years. I can truly say that he was one of the greatest men I have ever met. Mr Bonner and I loved to trade hunting and fishing stories. I will really miss him. He was the best.

“ Brice was a warm, caring, devoted friend to me. We taught together at Avalon -- rooms connected-- then across the hall. Brice taught 3 of my children, Joseph, Jana, and Joanna. He was always a bundle of laughs! I can still hear him say "fanger - for finger and thang- for thing."
Mike Montfort, Brenda Speer, Brice, and I spent a lot of quality time together! I know he fought for custody of his children because he loved them and put their well-being and happiness first! I will miss him! God Bless you!

“ Our home was damaged by fire one summer and I remember there was not much that put a smile on my face at that time. Mr. Bonner knew how to make me laugh though. We spent a lot of time at the Aggie General that summer, and Mr. Bonner taught me to play dominos. He was a kind man. Our neighbor, and our friend. It is easy to see how many people his life touched and that he will be missed. Kristen and Brice, you are in my prayers. Our family is always open to you.

“ It is with great sadness and a heavy heart that we write to you. I find
myself having a difficult time realizing he won't be here to begin
another year at TISD. His classroom is next to my office and we
talked often during the course of each day. I will miss him terribly.
He was so knowledgeable and I learned so many new things from
conversations with him.

The last time I spoke with him during summer school he was telling
me how he couldn't wait to get to Silverton with his family. I think it is
a true blessing he was able to experience the peacefulness he
talked about.

My heart and prayers go out to you and your family.

Sincerely,

“ May you find comfort in the memories that are yours to cherish always, and strength in the companionship of those who share your loss.... I have learned never to underestimate the healing power we all have. It is always there to be used for the highest good. Blessed are those who mourn, for they shall be comforted. (Matthew 5:4) May it be a source of inner strength to know that there's a loving God watching over you, and that, throughout this time of need, He'll stay close by your side. All those sleeping in their graves will wake up and sing for joy. As the sparkling dew refreshes the earth, so the Lord will revive those who have long been dead."-Isa. 26:19.

I had the priviledge of recommending Brice for hire at Trinidad. I can say without hesitation, that he was a great addition to our staff, and to our hearts. He will be greatly missed. We wish the family the best in these emotional times. If we can do anything as an extention to your family, please call us. I will end this tribute like he ended every conversation that we had. I want you to know that my prayers are with you. Mr. Bonner was so much fun. I enjoyed his humor so much. He always "picked" on me while he was at Avalon. We always had a good time together. I have missed seeing his smiling face so much!

I have been praying for you both and will continue to do that. I know what you're going through. It will get better. Lean on the Lord and use this time to rest in His comfort.

“ It seems like just yesterday that I ran into Brice at H.E.B., actually it was about two weeks ago. We talked at length, and he spoke about you, Kristen and Brice. He could have talked endlessly! He is so proud of both of you. Finally we said goodbye, and went our separate ways. I never forget the pride in his voice as he told me about each one of you!

Blessings to you.
