“ My brother is a member of Unity Baptist. Jack Kuykendall is my brother, I have visited Unity Bpatist whne I was in town & had meet Brother Cobb on these occasions. His messages that he sent to each and every person setting in the pews were upliftlifting and very heart felt with emotions. He seemed to care for each and every person in his congregatation and salo for those that were not. He was loved and thought very highly of and will be missed very deeply.

“ Bro. Cobb holds a very special place in our hearts and lives and always will. He has made a lasting impression on our whole family that will live on always. His words of wisdom and love have brought us through some of the most trying times in our lives. He always gave us the Lord's words and endured our pain as well. He was always there to give words of comfort,love, and knowledge regarding Madison from her birth right up until he left for the hospital. There are no words to explain the impact he has made on us. Thank you Carolyn for sharing this very special person with us. We love you more than words can express.
