“ *Bruce, "Butch" as Dan and I called him,.. was a talented musician.. We loved playing music with him.. He was always very pleasant and had a great sense of humor.. He will surely be missed, in this community... His haunting and sweet steel guitar sound will be noticeably absent from all the little Jamboree's around here... Dan say's that from now on, every time he plays "Jambalaya", he will think of Butch.... Our deepest sympathies go to his family for their loss..... Dan & Joy Woods*

“ There was no pretense, no phoniness, Butch was the best example of a Christian man that I've known. What an awesome thing it is to have sweet memories. He has left a big empty place in so many hearts. Isn't it wonderful that our lives were touched by that big, infectious grin!!!thank you , Lord, for the privilege of knowing Butch, and working with him as he learned to play his steel. He was so determined and dedicated and his efforts blessed sooo many people. My prayers are with his family as they enter a new phase of their lives. Dear God, thank you for sending Your Comforter.

“Daddy, we aren't quite sure how to go through this hard world without You. You have always been our rock and support. Please send an angel to guide us and to cover Mom with peace. Know that you had three kids that thought you hung the moon. There is no other that can fill your boots. We love you Daddy! Wait for us up there and shine down on us until we meet again. Love, Erin
