“ Family, I am so very, very sorry for our loss of Bryan. I have known Bryan all of his life, we grew up together basically like we were in the same family. Although we are a handful of years apart in age we became very close over the past 11 years or so. I have a lot of memories of Bryan and we spent a lot of good times together @ work and away from work. Although we hadn't spoken in several months I started seeing Bryan regularly over the past month or so. We ran into each other and spent part of the day this past Saturday with him and his kids at the races in Ennis. I am very thankful that I got to spend some time with him before he was called home unexpectedly at such a young age. I know there are not words that can heal your pain, and things happen that we don't fully understand, hopefully you can find peace in knowing that there is a plan and we have to have faith that God is in charge and Bryan is in a better & wonderful place. Bryan was very special to a LOT of people and will be missed greatly. Cherish the good memories and be strong for each other. I am a phone call away if you need ANYTHING. We Love Ya'll, Bodie & Kids
