“ I grew up with Bryan. We were the only kids around and didn't have much choice but to be friends. I have so many memories of running those fields and dirt roads. Spider hunting. Catching armadillos. Playing with his large collection of toy horses. Sneaking off to go fishing when we weren't supposed to be near the water. Riding bikes. The list of things we did is endless. Life kept us out of touch for many years but I've never forgotten my friend. Rest in peace brother. I'll never forget you. Pam, I'm so very sorry for your loss. I'll keep you in my prayers always. Love forever shelli Mengel.
