“ *Carolyn & Marilyn & families,*

Though I didn't know her much of my adult life, I remember "Aunt Pearl " most of my childhood. She was always a kind and loving person to me. And she will always be my AUNT PEARL.

My Prayers Are With You All,

Love ,

“ Although we did not know Mrs. Tyer, we do know both the Garrett and the Dennis families.

Just wanted them to know they are in our prayers and thoughts over the loss of their mother.

I know she will be missed but you have many memories to fondly recall. May God bless each of you during this difficult time.

“ I have had the special privilege to meet your mom through the Homebound Ministry of Northside. She has been a very special person in our ministry. On the days she was awake she was always so pleasant and glad we had come. It was always a joy to visit with her. I know you have many wonderful memories that God will use to comfort your heart.

We have been out of town this weekend, but are remembering you in our prayers. God be with you in every way and every day according to your needs.
