“ *Calvert Allen always amazed me because he worked so hard to overcome the service connected illness he knew. Besides that, he was a gentleman and a stable tower of strength for his family. I have happy memories of having fun with him as a boy as we were growing up. He was a good man and was helpful and thoughtful of others.*

I am proud to have known him and have him as my cousin.

Gene Carroll

Our deepest condolences to his family at his passing. God bless all of you.
