“ We loved Calvin dearly and he helped us a lot when the Anderson County Republican Party first opened its headquarters on the courthouse square directly across from the courthouse steps in 2004. This was presidential election year. He arranged for us to get a huge high quality conference table donated and he helped us move it and he and I set it up at the headquarters. He also came up with the idea of having nationally televised debate watching parties at the headquarters and he arranged for the loan of a large screen projection system and had me secure temporary satellite reception for the duration of the national debate season and the grand finale, was the election night returns party. He was very helpful in helping to install the large 4X8 campaign signs. He volunteered joyfully and was always enthusiastic about helping. He was creative in his thinking and had a ‘can do’ attitude.

Timothy and I loved him very much as did many of the Anderson County Republicans. What an asset he was in our lives! He was respectful, a perfect gentleman and a joy to be around. He shared the light of Jesus with his heart of love. We are praying for the entire family and his friends who loved him dearly. Sincerely, Elaine B. Triplett
