Carlton Eugene "Moose" Taylor passed away on Saturday, May 28, 2011 at the age of 65. Born in Corsicana, he was raised in the Dawson area. Carl graduated from Dawson High School and attended Navarro College. Active in his community, he was a member of the Optimist Club and served as President of the Corsicana Tiger Booster Club. He enjoyed coaching little league baseball and soccer for a number of years. He had a passion for sports. He loved football, baseball, and most of all drag racing. Later in life, he discovered darts and became a very skilled player, winning many awards. In his professional career, he was a successful Insurance Agent for many years. He was a top producer for several companies and was rewarded with many trips . He loved to travel and shared these special memories with family. His "dream" job began as a hobby. This opened the door for him to work for the National Hot Rod Association. He was privileged to travel with NHRA touring the country working many races and events. His biggest thrill was working with his close friend and mentor Buster Couch, starter for NHRA. He was very proud of his sons and adored his grandchildren. He was preceded in death by his mother and father, Ona Mae and Carl Steen Taylor. He is survived by his wife Marsha, son Christopher Taylor and his wife Christie of North Richland Hills; son Todd Taylor and his wife Nicole of Trophy Club. Grandchildren Brendan and Sydney Taylor of North Richland Hills. Carl is also survived by Stevie Taylor of

Dawson and Cole Taylor of Powell, numerous friends and extended family. “ I knew Carl through the insurance business in the mid-90s. I worked for Sunset Life Insurance Company then and Carl was an agent for us through the Verle Smith agency in Granbury. I remember Carl as being a very friendly person who loved to show off his souped up Mustang II. I believe Carl won a trip to our home office in Olympia, WA where we showed him and others from Verle's agency around the Puget Sound area and Seattle. It was great fun to host a wonderful group of people. Though I haven't spoken with Carl in years I feel a great loss in his passing. Know that he and his entire family are in our prayers.

“ My heart grieves for the family at this sad time. However, it does give me peace to know that God always makes a special place for people as wonderful as "Moose!" I have known Moose since I was a little girl and my dad would always hang around his racing buddies. Moose is one of those buddies that I grew up knowing that he was just like family. He always took care of us at the track and it felt good knowing he had his eyes on me and mine to watch over us. I was extremely grateful to be with him during his last moments. I was able to give him a big smile, and let him know that he was in good hands no matter what! People do not get that opportunity often, but God blessed me with a smile and a tight hand grip from Moose just before he flew away! I will always remember Moose and what he meant to me and my family.
Marsha, Todd, and Chris, I know your dad loved you very much. I am so glad I had the opportunity to know him.

“ *My heart is heavy for the loss of cousin Carlton. I do get some peace knowing that he loved his work with the Race Car family. That he did enjoy his life with his work and his wife, sons, family, and grandchildren.*

I only wish I had the words to express my feelings..(along with my wife Kaye.)

Carlton always showed me attention as a little boy. He loved my sister Becky and my brother Elton who were in his age group at Dawson High School and growing up with the Taylor family. I always knew he loved my father, his Uncle James Taylor and my Mother, his Aunt Leona Taylor as they returned their love to him as we all grew up as kids. I am sorry for Stevie Taylor's loss of his brother.

Even thou I did not get to see Carlton, all that often over the years- I always liked and loved him as my cousin. I am sorry for his loss and my dear sympathy to his dear family. I won't forget him.

May the good Lord give his family grace and peace at this time of family sorrow.

“ Just wanted to let you know I have you in my prayers. I have known Moose for well over ten years. It was devastating to hear of his passing. I spoke to him two days before his accident when he came into work. He came into my office with a "What's up Mikey" as he did every time ha came in. I will miss it dearly. Moose was a great guy and friends with everyone he met. The Motorplex will not feel the same without him at the tree.

“ Moose you took me under your wing when I showed up at the track and didnt have a clue what to do or when. Countless phone calls for advice were always taken with a kind voice and a understanding ear. The advice was invaluable. The friendship you showed me was unreplaceable. Man I am going to miss you, I cant believe you are gone. But man oh man the people you are rubbing elbows with now. Texas lost an Angel, but Heaven got one.

“ There's no doubt about it, if you truly knew Moose you knew his passion for his FAMILY, GRANDKIDS, FORDS, DRAG RACING, and DARTS. Moose never failed to take in each and every one of us on the track crew and always had something to teach us. His presence at the track will be missed but the techniques he taught the crew will carry on forever. I will miss the "thumbs-up" from the starting line, watching him line up the "new guys" in the groove so they could have a great run, and his calls to the Compulink operator- "BOARDS". Always remembered, but never forgotten.

“ We're all going to miss Moose. He was one of my best *Hot Rod Buddie's*. He was willing to take us *kids* under his wing when we wanted to hang around the various *Hot Rod Shops* around town. He never made too much fun of us when we said stupid stuff and was one of those guys willing to do whatever it took to be a winner. His smile and laugh will always be with me. I know when I see a car or something in the future I'll be able to think of exactly what he would say (good or bad!) and as long as that happens he'll never be far away. It will be the same for everyone in the family.

Marsha and Chris and the whole family...our prayers are with you.

“ I write this with tears in my eyes from sadness and joy. I have lost such a dear friend, full of life, joy and just plain fun. I hurt for each of you, I understand your pain. Moose and I have been friends since 1977 or before, as time went by I met Marsha and she became a dear friend too. Seems like there was always a Mustang involved. LOL Moose loved what he did, you could tell by the pride he would show with all his Mustangs. The boys thought so much of him too. A Mustang Hero in their eyes. I find joy knowing he is free of pain and on a wonderful ride to Heaven now. Time will help ease the pain and having so very many friends and family that love you so much will help too. Cherish all the wonderful memories you have and keep them close to your heart. We love you guys and will be there for you. If there is anything we can do to help please let us know. Prayers are with you all. Forever Friends...

“ Marsha, Chris and Todd, I am so sorry for the loss of "Moose." Every now and then my dad would ask about him. I can remember all of the times we spent together growing up. All the baseball memories and the rides to the baseball games in that mini-van and listening to the oldies but goodies and especially "Bad Moon Rising." Every time I hear that song it reminds me of Moose. I pray that you find peace in your hearts and remember and cherish all of the good and fun memories. He will be missed dearly by all of us. Me, Henry Sr., Maria, Henry Jr, and Sebastian Cantu God bless you and we love you!

“ *It's hard to lose a friend, but to lose someone like Moose is really difficult to accept. We have only known him for a few years but in those years we have found a true and honest friend. He had a true passion for his drag racing hobby. We didn't even know him when he first came to our track, but there he was at the starting line showing my crew what we could do to improve it, and it did. He was always there to race but he was also there to help out. I'll miss looking toward the pits and seeing him walking down the track. You couldn't miss him then, but we will now. We have lost one of the good ones. GOD SPEED "MOOSE". Our Hearts and prayers are with his family.....*
